2. Water Jerry cans:

Jerry cans of 20 liters capacity for fetching water. Cans must be in white color and made of food gradient plastic. Total number required is 6100 jerry cans.

3. Temporary latrines:

In flood affected areas 50 temporary latrines are to be installed. Wooden/Ferocement/plastic pad and trapolyen/parashoot cloth with wooden sticks is required. This is temporary installment not permanent latrines, so these could be relocated as per need.

TERMS & CONDITIONS

Manufacturers, authorized dealers and suppliers registered in Pakistan who are interested to supply the aforementioned items are invited to send their bids in sealed envelopes by **October 17, 2011**.

Other terms and conditions:

- Full name with permanent address, telephone number with document showing complete profile.
- Previous experience with the supply of similar items. Proof of the financial statement of the supplier bank statement.
- All government taxes applicable shall be included in the tender and transportation cost to the location.
- Samples of all tender items should also be submitted along with the bid. Non submission of samples might make the bidder in-eligible/unqualified.
- Payment will be made on satisfactory delivery of supplies through cross cheque.
- An agreement will be signed with successful bidder(s) for timely supply of appropriate quality items and method of payment.
- Lowest price will not be the sole criteria, quality, delivery & previous experience will also be considered. Proof of the registration with Government departments like NTN and GST registration number.

- The tender must be properly sealed and stamped by the supplier.
- Tender committee reserves the right to cancel/reject any or all offers without assigning any reason.
